

## **WORLD TEAM GLOBAL ALLIANCE COVENANT**

*World Team Global* exists to glorify God by working together to establish reproducing churches among the unreached peoples of the world. As a network of Sending & Receiving Centers (*currently with workers, staff and board members from WT Australia, WT Canada and WT USA*), we long to see innovative teams multiplying disciples and communities of believers, bringing the Gospel within reach of lost people everywhere we go.

The *World Team Global Alliance* (hereinafter '*the Alliance*') serves the World Team community by *providing input and accountability for the global vision and ministry direction of World Team*.

Because of our shared and interdependent commitment to these goals:

### **We covenant:**

To work together, towards our stated purpose and vision, holding to our confession of faith and committed to living out our core values of the Gospel, prayer & worship, interdependence, and developing & releasing leaders;

To strive to actively hear and understand one another, seeking to accept differing views, to be slow to take offense, but always ready to forgive, seeking reconciliation without delay when offenses and misunderstandings occur among us;

To pray for one another on a consistent and regular basis, and

To work as an Alliance according to our defined functions: provide a forum for the implementation of the global vision in a rapidly changing context; to oversee and hold accountable the International Director in leading and developing the global leaders of the Alliance; to integrate new Sending Centers, and other ministry partners into the Alliance; and to approve major projects and affirm ministry initiatives that further the global vision of the Alliance.

**We also covenant:**

To participate actively in all meetings (in person or virtually) of the Alliance;

To engage in discussion and decisions in light of the Alliance guiding principles during gatherings of the Alliance;

To respect the confidentiality of our discussions and decisions; to engage in continuing education about missions and current trends impacting missions; and to hold one another and our Alliance to the highest standards of integrity.

World Team intends that this Alliance Covenant shall continue indefinitely. However, the Covenant does not, and is not meant to; impose on any of the members of the Alliance network or any of their legal governing boards any legally binding obligations. The Alliance shall have no liability for any debts, liabilities or obligations incurred by a World Team Sending Center Board or office. Further, the Alliance shall not be a separate legal entity, but shall operate solely as a coalition according to the defined functions. Members of the Alliance shall not receive any compensation for their service other than reimbursement of expenses.
